

MOLLY KIMBALL, RD/CSSD

Molly Kimball, RD, CSSD, is a well-respected nutrition expert, specializing in what she refers to as 'lifestyle' nutrition: teaching people how to integrate real-world nutrition changes into their daily lives, and to incorporate their favorite indulgences into balanced, healthy diets. An established nutrition consultant, she is a registered dietitian, and board certified as a specialist in sports dietetics.

As a nutrition columnist for The Times-Picayune newspaper, Molly covers the latest trends in the nutrition and the fitness industry. She is also the nutrition and fitness expert for WGNO News, with a weekly segment on Good Morning New Orleans, Get the Skinny with Molly.

WHAT MOLLY OFFERS

MEDIA RELATIONS: Molly's extensive media training, combined with her years of experience as a nutrition expert on local and national news features, enables Molly to connect with large audiences as she skillfully translates nutrition science into real-world information that people can apply to their daily lives.

SPEAKER: A dynamic speaker, Molly has a relaxed, matter-of-fact approach to nutrition. She effortlessly translates nutrition science into practical, easy-to-use information. A member of the National Speakers Association, her presentations are customized to suit each specific audience, ranging from busy executives to competitive athletes to stay-at-home moms.

WRITER: An experienced writer, Molly is available to provide nutrition content for publications ranging from national magazines to company newsletters.

CONSULTANT: Molly's consulting services include corporate wellness presentations, product development, menu evaluation, and more.
